Duties

1. The main goal of Anti-ragging committee is to create ragging free campus
2. To continuously monitor the campus for any incidences of ragging along with committee members
3. To explain about anti-ragging policy during induction program
4. To aware the students regarding the penalties and punishments of anti-ragging act.
5. To address complaints about ragging as per Govt. and University procedures.
6. To watch and take necessary actions against ragging in campus and hostel
7. To create a healthy environment between juniors and seniors by conducting interactive sessions in the presence of anti-ragging committee.
8. To maintain records of the cases, (if any) investigated and submit the same to the IQAC committee.
